EUREKA Timeline - A Short History	42

Packaging

Eureka packaging ranges from the well-known orange bags to our new space-saving reusable bottle range for larger volumes.

The focus is always on making the best use of the available space possible.

The variety of sizes means the consumer gets the fastener they want in the amount they need!

Eureka supplies the following types of reusable packaging to the general public to customize the end users experience:

- Eureka DIY caters for the contractor with Trade packs and Bulk packs, supplying the customer with bigger quantities at better prices.

Eureka is going green with the new Handy Packs, Trade Packs and Bulk Packs that is proudly South African manufactured in-house from (P.E.T). These packages are environmental friendly, reusable, stackable, modular and contribute to less pollution in the long run.

Clever pack designs maximise space use while providing a complete range of sizes

Stands

Our range of product stands consist of a wide variety fixers and fasteners prepacked in small convenient packets and Bulk Packs to satisfy any DIY'ers and contractor's needs.

Eureka stands are carefully planned to hold the right mix of products in the right quantities.

The modular approach to the stand range allows for customisation of the ranges in-store. By placing fasteners in colour-coded groups, it makes it easier for the customer to find the ideal fastener for their job.

DIY PACKETS

BULK BOTTLES

All product stands have companion bulk stands to expand the range seamlessly.

Colour Coding

■ Products are categorised by application, and the categories are colour coded to make them easy to understand.

Colour Coded Support Material

■ Header boards, Locator boards and Splitters are available in category colours to assist shoppers in finding the fastener they want, quickly!

Stand headerboards

- Header boards are supplied with each stand.
- Illustrating what products can be found on the stand.
- Gives information on special features, how to use the products and what other products can be used with it.

In a Nutshell...

We help you run your fastener department like a business unit. We make it **exciting and profitable** which means **YOU WIN!**

But more importantly your customers get **WHAT** they want **WHEN** they want it at **GREAT prices** which means you have happy customers and **THEY WIN!**

A Complete Solution

It's a **WIN-WIN!**

Stock the ideal **EUREKA** range

EUREKA Timeline - a short history

1972 Hendrik Marais buys Barney's Paint and Hardware. Frustration! Time is money, unless it's spent on finding the right screw or fastener in boxes or bins for a customer spending only cents.

1984 Eureka! Pre-pack handy quantities of fasteners and display in a way normal people can **find what they need without assistance**.

1985 Start supplying range of screws and nails to neighbors, selling from 2nd hand ice-cream combi

1987 First of 4 moves to **bigger premises**

1990 Use **3-ton trucks as mobile warehouses** – per store history on cards

1993 Build own factory in Robertville – consumers and shops realize Win-Win of easy to find, re-usable packets for fasteners

1996 Computerised stock replenishment & ordering per store

1997 Reinventing PVC bag – and making them in-house

1997 Fort Knox brand launched

2007 New factory and offices in Lea Glen

2014 BrainBoosters launched – CSI project to improve ECD, early maths and literacy

2014 High pressure aluminium casting to manufacture Fort Knox locks in South Africa

2014 Injection molders for Trade Pack bottles and nylon locks

2015 Introducing **square bottles for Trade, Bulk and MustHave Packs**

2016 Own 60 meter **powder coating plant**

2016 Solar PV plant to produce electricity for foundry

2017 Fully integrated, **colour coded display concept** for Eureka packets, bottles and MustHaves

2019 Large factory and manufacturing equipment expansions with an increased focus on **local production**

EUREKA

We have a great range

We have 37 years' experience and over time have created a nifty range of pre-packed fasteners that cater for the unique needs of Southern Africa. Our range is comprehensive and includes 3 000+ SKUs.

Good looking, clever and quite popular

We have attractive header boards with How-to product information. The stands are grouped by category and are colour-coded so that customers can help themselves – saving your sales people's valuable time.

Services included

Shelving is supplied free of charge, and we can even price the stock for you in the form of on-the-shelf labels. We professionally assist with procurement, sales history and our Sales Representatives do stock counts when re-ordering. Your stock is delivered on uniquely designed mini stands for quick, accurate and easy check-in. In addition, you don't need to worry about merchandising as this is done by the driver when we deliver. We deliver nationwide to more than 2 000 customers across Southern Africa using state-of-the-art tracking and distribution systems.

More than the bag you see on the shelf

- Our in-house IT team designed a seamless integrated system.
- We host all our servers in our data center using modern Microsoft operating systems and virtualization technologies. We have EDI relationships with key groups.
- We have electronic invoicing and statement services.

- Once your order is approved it follows a streamlined workflow that includes barcode-based picking and statistical inspection methods.

- We practice responsible procurement, keeping enough stock (and safety stock) in our warehouse to ensure you get what you order.

- Our average fill rate for the last 3 years is 99%, meaning you don't need to place back-orders.

We have quality controls at all major points in the process, from sourcing to placing orders up to delivery.

Getting it to you

We have our own fleet of trucks and deliver nationwide. We have all the latest route & vehicle scheduling tools in place ensuring you get your stock in time and in perfect condition. Our drivers are well trained and equipped and make the check-in fast and hassle free. Merchandising is done by our drivers who deliver your stock and also double up as merchandisers. Stock is sent on mini-stands making check-in fast and merchandising a breeze. We save you HOURS of labour so that you can focus on selling.

A team on your side

Our enthusiastic and dedicated sales team will give you their best and professional service.

We invest in regular training for our people in order to add real value to your business.

We assist in placing the order with our Sales Support System while physically taking stock. We keep 24 months sales history to make sure we spot trends and order according to sales rates. We keep your shelves neat and tidy.
